

Up-grade your fly fishing program to a Premium one

A program especially developed to enrich the fishing journey, without leaving the marvelous environment of Lanín National Park. You can provide your clients and friends with the opportunity to rest and relax at Lahuen Co, mountain thermal spa.

***After an active morning of fishing...reset your energies to continue fishing later on,
we receive you in the afternoon with our special proposal:***

Lahuen Co, fish & nap

Enjoy a time for rest on the thermal baths, a vichy shower session and other wellness activities. Our Restaurant and Tea House invites you with a special tea of our own blends, home-made pastry and cakes.

**Ask your guide
about this program!**

- This program is developed from 3:00pm to 7:00pm. Lunch is served from 1:00pm on.
- Optional Early Dinner can be served up to 6:00pm.
- Lunch and dinner consist of a 3-step-menu. Non-alcoholic drinks are included. We can prepare special food for celiac and diabetics' needs.
- It is necessary to book in advance all desired services.
- Bathing suit is mandatory at the spa (also sold at our premises).
- All the wellness activities are daily programmed and are available for fishermen guests too (yoga group sessions, tai chi demonstrations, guided short-hikes, etc.)
- Optional personal services are also available (massages, thermal mud mask, individual yoga c classes, etc.). It is highly recommended to book these services in advance.
- Also invite along spouses and accompanying family and friends to a full spa journey:
